DSS: No

Clinimetrics PA 8
Amendment R...

Bristow:

Here is what I would propose in terms of changes to attachment B. I've deleted the references to numbers of CRAs except in the main summary table. I also made a few deletions in the sub-total lines on page 2 to delete #'s for "quantity", "unit" and "unit costs". Call me if questions.

Thanks,
Valerie

CLN 8, and 2
